

LAUNCH STRATEGIES

The Marketing Wheel

In Module 4, you discovered the Marketing Wheel, which represents the fastest way for you to get in this business (or scale if you're already in it in an organic way!) before you spend money for ads or advertising. With these strategies, you can maximize your results and start getting momentum.

In Module 4.3, you discovered how to execute challenges, which will attract your ideal clients and deliver them massive amounts of value in advance. Below, you'll find the pages you need to create to run your challenge and welcome new students:

If you haven't already, make sure to set up your trial on mmfreetrial.com

It will be easy to create your challenge opt-in page, confirmation page, and order page in just a few minutes.
